Vice-Chairs Chat

Dear members,

On 1st April 2024, the CHSG had a very interesting talk from Eddy Kelly, giving us an insight into life for women prisoners aged 18 and over at Styal Women's Prison in Cheshire. I feel sure we all gained a great deal of knowledge from this talk and the accompanying pictures.

My thanks to Thelma Reynolds for arranging another most interesting talk for us all.

At this meeting, her daughter Amanda promoted a 'Chester Sing-Along' on 27 April 2024. Details of this can be found in the email header for the monthly newsletter download email.

Kindest Regards,
Mary Williams

Day Trip to Bodnant Gardens & Betws y Coed 30th May 2024

This trip has to be self funding and to date we are short by 3 passengers. We have looked into hiring other coaches but they were all much more expensive.

The cost is £41.00 without a national trust card and £25.00 if you have one.

It would be a shame if this had to be cancelled so please join us for a great day out.
